

## The Lord who Heals (Peter and Tabitha)

Acts 9:36-42

Lesson 4 - June 23, 2019

### Did You Know?

- Acts 9:36-42 tells the story of Tabitha (also known as Dorcas) being raised from the dead.
- Tabitha was a well-respected woman, possibly a widow, who dedicated her time to good works.
- In the Bible, the Greek term *mathetria*, meaning "a female disciple," refers to Tabitha alone. It's used nowhere else in the Scriptures.
- God honored Tabitha's servant heart by bringing her back from the dead.

### Connect as a Family

Discuss with your family ways you could serve your neighborhood. Maybe a sick neighbor needs a meal or an elderly friend could use some help with yardwork. After you've come up with some suggestions, set a time to take action, and then serve together as a family. Read **Acts 9:36-42** to learn more about how one woman served God and what happened to her.

#### Questions for Discussion:

- What are some ways you can care for those around you as Tabitha did?
- How did God show Himself as the Lord who heals?
- Who in our life right now needs prayer for healing?

### Remember Verse

*But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.*

Acts 1:8

### Blessing

A blessing to pray over your child:

(Child's name), may God care for your body, heart, and mind in every way. May He show Himself as the Lord who heals you and those around you.
