GOD LOOKS at the heart

(Samuel and David)

1 Samuel 16:1-13

REMEMBER VERSE

**In their hearts humans
plan their course,
but the LORD establishes
their steps**

Proverbs 16:9

DID YOU KNOW??

Share these facts to get the conversation started:

- Even though he was rejected by GOD as king over Israel, King Saul reigned for 42 years.
- Samuel was a prophet who anointed two kings: Saul and David.
- Samuel was the last of the judges in the Old Testament.
- Armor-bearers, like David, were servants who had proven to be brave warriors. Their job was to carry extra weapons for their leaders.

CONNECT AS A FAMILY

Gather your entire family together. Read **Psalm 139:23-24**. Ask each family member to go one at a time into a room in your home designated by you. Once alone in that room, each person should make a choice whether or not to hide something small. (If they choose not to hide something at all, they should keep it secret.) After everyone has gone into the room separately, join together as a family in that room to see if everyone can guess what is missing. Talk about how things we do in secret are not secret to GOD. GOD sees all that we do, think, and are, even the things we feel in our hearts.

**After reading the Scripture passage,
discuss these questions together:**

- Have you ever felt as if GOD might be speaking to you?
- What are some things that bring comfort when you feel ill or sad?
- Remind your children that when we enter into a relationship with GOD, we receive the Holy Spirit, who has the power to change our hearts?

These questions can easily extend into the rest of the week. Look for opportunities to bring conversations about **how GOD looks at our hearts** into your everyday life as a family.

BLESSING

Blessings are often used in the Bible. A blessing can be a prayer of commission, a portion of Scripture, or words to encourage and guide.

A Blessing To Pray Over Your Child:-
(Child's name), **may you know that GOD sees you, cares for you, and knows you. May you have a heart like His.**
